

## AUTHORITIES FOR GRAND JURY INQUIRIES

*The authority for our inquiries are sanctioned by one or more of the following sections of the California Penal Code:*

§919(b): “The grand jury shall inquire into the condition and management of public prisons within the county.”

§925: “The grand jury shall investigate and report on the operations, accounts, and records of the officers, departments, or functions of the county including those operations, accounts, and records of any special legislative district or other district in the county created pursuant to state law for which the officers of the county are serving in their ex officio capacity as officers of the districts. The investigations may be conducted on some selective basis each year, but the grand jury shall not duplicate any examination of financial statements which has been performed by or for the board of supervisors pursuant to Section 25250 of the Government Code; this provision shall not be construed to limit the power of the grand jury to investigate and report on the operations, accounts, and records of the officers, departments, or functions of the county”.

§925(a): “The grand jury may at any time examine the books and records of any incorporated city or joint powers agency located in the county. In addition to any other investigatory powers granted by this chapter, the grand jury may investigate and report upon the operations, accounts, and records of the officers, departments, functions, and the method or system of performing the duties of any such city or joint powers agency and make such recommendations as it may deem proper and fit. The grand jury may investigate and report upon the needs of all joint powers agencies in the county, including the abolition or creation of agencies and the equipment for, or the method or system of performing the duties of, the several agencies. It shall cause a copy of any such report to be transmitted to the governing body of any affected agency. As used in this section, "joint powers agency" means an agency described in Section 6506 of the Government Code whose jurisdiction encompasses all or part of a county.”

§928: “Every grand jury may investigate and report upon the needs of all county officers in the county, including the abolition or creation of offices and the equipment for, or the method or system of performing the duties of, the several offices. Such investigation and report shall be conducted selectively each year. The grand jury shall cause a copy of such report to be transmitted to each member of the board of supervisors of the county.”

§933.5: “A grand jury may at any time examine the books and records of any special-purpose assessing or taxing district located wholly or partly in the county or the local agency formation commission in the county, and, in addition to any other investigatory powers granted by this chapter, may investigate and report upon the method or system of performing the duties of such district or commission.”

§933.6: “A grand jury may at any time examine the books and records of any nonprofit corporation established by or operated on behalf of a public entity the books and records of which it is authorized by law to examine, and, in addition to any other investigatory powers

granted by this chapter, may investigate and report upon the method or system of performing the duties of such nonprofit corporation.” (*emphasis added*)
